• YOU CAN:

→ Install the font software on up to 5 of your own workstations (your iMac and your MacBook are workstations, your RapidShare folder is not)

• Embed the font software in any kind of documents, printed or digital, as long as no third party has full access to the font software (PDF: good, collected InDesign folder: bad)

• YOU CAN'T:

▶ Modify or rename the font software (if you need any modifications, please contact REKORD on this matter)

→ Redistribute the font software in any way (like uploading it to an FTP server with public access or giving it to a broke friend)
